Long Trail Ale First brewed in 1989, *Long Trail Ale* is full-bodied amber ale brewed with the top fermenting house yeast that yields a complex, clean flavor. **ABV 5.0% IBU 28 \$6.50**

Harpoon UFO White Light, crisp, refreshing, UFO White follows in the tradition of spiced wheat beers that have been brewed in Belgium for well over 300 years. Brewed with orange peels and coriander. **ABV 4.8% IBU 11 \$6.50**

Fiddlehead IPA This medium bodied American style IPA has an alluring golden glow and beautifully blends three strains of hops. While strong citrus notes ambush your taste buds halfway through the palate, the beer finishes very crisp and dry. **ABV 6.2% IBU 91 \$9.50**

Switchback Ale An unfiltered, reddish-amber ale which is particularly well-balanced, allowing for complexity of flavor coupled with an unusually smooth and refreshing character. Five different malts, select hop varieties, and our own specially cultivated yeast create an ale which leads with hop flavors and a subtle impression of fruit (our yeasts contribution), followed by a palate pleasing malty finish. **ABV 5.0% IBU 28 \$6.50**

Upper Pass Cloud Drop DIPA The malt bill contains a blend of Pilsner and Golden Promise, Munich, oats, and wheat contributing to a smooth mouthfeel. This beer has evolved into the double IPA as it was decided to boost it to 8.0%. Brewed, bottled and kegged in Stowe, VT. **ABV 8.00% IBU 95 \$9.50**

Von Trapp Helles Our lightest offering, "Helles" is german for "Bright." It is golden in color, and is a crisp, easy drinking beer for all occasions, a true session lager. The spicy hop characters are a bit more subdued and in balance with hops. It is our only lager that is filtered. **ABV 4.9% IBU 29 \$7.50**
